Establishment - Medical Institute - Local Fund and Municipal. South Kanara District Hospl and Dispensaries of Western Medicine Reserve Staff. Strength of the Staff &c

Government of Madras

LOCAL SELF-GOVERNMENT DEPARTMENT

(Public Health)

Offl. Memo. No. 38585-1-D-2, P.H., 23rd September 1934

Establishment—Medical Institutions—Local Fund and Municipal—District Boards and Panchayats—Existing strength—Statements—Called for.

Official Memorandum—No. 38585-1-D-2, P.H., dated 23rd September 1934.

All presidents of district boards are requested to submit to Government, within three weeks from the date of receipt of this memorandum, information in the appended form in respect of each medical institution including rural dispensaries under the control of district boards. They are also requested to obtain and submit, as early as possible, similar information in respect of the medical institutions under the management of panchayats. The statements relating to institutions of Indian medicine and homœopathic institutions should be submitted through the Principal, Indian Medical School, and those relating to other institutions through the District Medical Officer and the Surgeon-General. The information in respect of each institution should be prepared on separate sheets.

2. The officers mentioned in paragraph 1 above should scrutinize the statements expeditiously and transmit them with their remarks on the following points :—

(1) The adequacy of the staff employed.

(2) Whether the existing staff is in excess of requirements.

(3) Whether each member of the existing staff possesses the qualifications prescribed for the post.

(4) The grade of officer required for each institution (i.e., whether officers of the grade of Civil Assistant Surgeon, Sub-Assistant Surgeon or Medical Officers with L.I.M. qualification are required).

3. The Surgeon-General is requested to issue detailed instructions to District Medical Officers as regards the basis on which the scrutiny of the statements should be carried out. A copy of the circular containing the instructions should be submitted to the Government.

4. Presidents of district boards and the officers concerned are requested to treat the matter as very urgent.

(By order of the Government, Ministry of Local Self-Government)

S. G. SENGODAIYAN,
Deputy Secretary to Government.

To all Presidents of District Boards.
,, the Surgeon-General.
,, the Principal, Indian Medical School.

(Designation) President, District Board, South Kanara

To The Secretary to the Government of Madras,
Local Self-Government Department.

Sir,

As directed in Government Memorandum No.38585-1-D-2 P.H., dated 23.9.1934, I am sending to the District Medical Officer, South Kanara statements showing the particulars of existing establishment of each L.F.Medical institution -- under the District Board.

The Medical Officers of the following four medical institutions are medical graduates. The first two were under the Mangalore Taluk Board on a uniform scale of Rs 125-5-175,

14/11

while No. 3 under Kasargod Taluk Board on a fixed pay of ~~Rxx12x~~ Rs 120/- and No.4 under the Coondapur Taluk Board on a scale of Rs 100- 5- 150 with a duty allowance of Rs 30 (annual) per mensem:-

1. Dr.M. Umesha Rao , L.M.S.,-- Medical Officer, Mulky
2. Dr.K.S.Amrith Rao, M.B.B.S.,-- --do-- Buntwal
3. Dr.K.Nemiraja Alva,L.M.S., -- --do-- Hosdrug
4. Dr. A. S. Hebbar, L.M.S., -- --do-- Baindur.

P/5-6 info

The District Medical Officer in his L.Dis.231/S/34 dated 19.9.1934 addressed to the Surgeon-General -- recommends that the above four medical officers may be treated as Assistant Surgeons. Copy of his letter is enclosed.

There is no uniformity in their designation as they were working under different Taluk Boards. For the -- purpose of correspondence all medical Officers are styled as only "Medical Officers" and not as "Assistant Surgeons" or "Sub-assistant Surgeons".

As all the medical officers are now working under the District Board, I request that Government may be pleased to sanction the designation of Assistant Surgeons to medical graduates and Sub-assistant Surgeons to L.M.P's

Your most obedient servant,

President,
S.K.District Board.

Local Self Government (Public Health) Department

Sir,

Ref:- Government Memo No. 38585-1 D2 P.H. dated the 23rd September 1934.

I have the honour to forward herewith the statements received from the President, District Board, South Kanara District, together with a copy of District Medical Officer's letter forwarding the same.

pp 12-35 info

Medical Officers

There are 12 medical institutions under control of the District Board. Of these, Local Fund

D 10/12

Hospital, Karkal, is held by a Government civil assistant surgeon. The other institutions are in charge of Local Fund Medical Officers. The grade of these Medical Officers may be that of sub.assistant surgeons and not assistant surgeons. Please see this office U.O. reply R. No. 3529 E dated 5-12-34 regarding grade of the Medical Officers employed by the District Board. The Medical Officers possess the necessary qualification.

The following hospitals and dispensaries call for remarks:-

Local Fund Hospitals at Karkal, Buntwal, Moolky and Beltangadi.

The present staff is adequate. The cook employed in these hospitals may be designated cook-waterman.

Local Fund Dispensary, Hosdrug.

The appointment of a female nursing orderly (ward attendant) appears necessary. The designation "ward-cooly" may be changed into nursing orderly or ward attendant.

Local Fund Dispensaries at Moodbidri and Shirwa.

In view of the small daily average attendance, a part-time toti or sweeper will be sufficient. The designation of ward-cooly at Local Fund Dispensary, Shirva, may be changed int nursing orderly or ward attendant.

Local Fund Dispensaries at Baindur.

There is no toty or sweeper on the staff. A part-time toty or sweeper is necessary.

Local Fund Dispensary, Kadaba.

The appointment of a midwife appears necessary.

Local Fund Dispensary, Barkur.

Perhaps a part-time toty or sweeper in place of the full time toti employed may be considered sufficient.

Local Fund dispensary, Kadaba.

As the services of the District Board reserve compoun will be required to fill leave vacancies in the district no and these, I agree with the District Medical Officer and consider that a permanent compounder is necessary at the dispensary.

Local Fund Dispensary, Sullia

In view of the poor daily average attendance at the dispensary, there appears to be no sufficient ground for the continuance of the institution as a Regular dispensary. A rural dispensary maintained entirely by the District Board will serve the purpose.

Subsidised rural dispensaries.

The daily average attendance at the subsidised rural dispensaries at Adur and Kinjal appears to be poor. The quest is whether it is worth while continuing these dispensaries and whether they may not be abolished.

I have the honour to be,

Sir,

Your most obedient servant,

Major-General, I.M.S.

Surgeon-General with the Government of Madras.

C.R.P./6-12-24

Copy of letter from the District Medical Officer, South Kanara, Mangalore, to the Personal Assistant to the Surgeon-General with the Government of Madras, Madras, Ref.No.297-S/34, dated 24th November 1934.

Sub:-Establishment - Medical Institutions - L.F.District Boards - Existing strength - Statements called for -

---

Ref:-Your Circular Ref.No.1842-14/34, dated 9th October 1934.

I have the honour to forward herewith 26 statements in duplicate showing the existing strength of the Local Fund Medical Institutions, received from the President, District Board, South Kanara.

The statements have been verified as per instructions contained in your above quoted circular.

1. As regards the adequacy of the staff employed I have the honour to state that:-

(i) There is no Toty employed at the Local Fund dispensary, Baindoor. The services of a Toty are quite essential as there is post-mortem shed, and the daily average attendance is 96.72.

(ii) No Midwife has been appointed to Local Fund dispensary, Kadaba. Great inconvenience is being felt for want of a Midwife in the place. If the public wants the services of the midwife they will have to go either to Sullia or Puttur which is 20 miles away from Kadaba. Hence the services of a midwife are quite essential. No permanent compounder has been appointed to L.F.Dispensary, Kadaba so far, since the abolition of the post. But at present the Reserve compounder Ramachandra Shanbogue has been deputed to work there. The services of a permanent compounder are quite essential as the services of the reserve compounder will be required now and then to work in the leave vacancies.

2. The existing staff is not in excess of requirements.

3. Each member of the existing staff possesses the qualifications prescribed for the post.

4. Medical graduates are employed at L.F.Hospital, Buṭwal, Moolky, and at L.F.Dispensaries at Baindoor and Hosdrug. As the institutions at Moolky and Buntwal are Hospitals, the services of Medical graduates are required. As Hosdrug is the Headquarters of a Deputy Tahsildar, an Assistant Surgeon was posted there. The services of the Assistant Surgeon who is at Baindoor may be transferred to Belthangady, which is also the headquarters of a Deputy Tahsildar. So I request that L.F. Hospital, Buntwal, Moolky, Hosdrug and Belthangady may be reserved for medical graduates. The four present medical graduates are now designated as "Medical Officers." Henceforward they may be designated as "Assistant Surgeons".

All the midwives employed in the medical institutions are conducting out-door labour cases. There are no maternity wards in any of the L.F.Hospitals in the District.

The Government have in G.O.No. 734 P.H. dated 10th May 1934 ordered the employment of Medical Officers of the grade of sub-assistant surgeons to the four medical institutions referred to in the letter of the President, District Board, South Kanara. The District Board have employed medical graduates to these institutions when they were subsequently transferred to the local bodies. There is no necessity to employ medical officers of the grade of Assistant Surgeons in these medical institutions. The statement showing the particulars of existing establishments of each medical institution under the District Board are being forwarded to Government separately.

L. S. Ref. H) 24th

The receipt of the statements referred to at A above may be acknowledged. The S-G

GSM 7/12

was reminded on 26.11.34 (vide page 8 ante).
He will be reminded again on 20.12.34 if necessary

5/12/34

10.12.34

C No. 50477 From the S.H. No 2185-14/34 6.12.34 pp 9-13 ante

The statement at flag (S)

shows the existing and the proposed staff in the hospitals and dispensaries of Western medicine maintained by the South Kanara D.B.

Col (7) of the statement shows the existing staff subject to such reductions or modifications as have been suggested by the S.H. ~~The staff shown in Col (7) may be sanctioned. The does not involve any extra expenditure;~~

There does not involve any additional expenditure.

2. The L.M. compounder employed in the Kadaba Dispensary is a reserve hand. The post has, therefore, been shown in Appendix I to the draft order as reserve staff. Am p 11 ante

3. The posts of Ward coolie and Scavenger in the Manjeswar dispensary may be changed into L.M. male nursing orderly and part-time toti or sweeper as in the case of similar staff in the Shiroor dispensary.

4. The proposals of the S.H. that a part-time toti or sweeper may be p 10 ante

employed in the Baandarawela dispensary, that a female

p. 10 of nursing orderly may be employed in the Hewaheta dispensary and that a midwife and a compounder may be employed in the Kadaba dispensary

, b 11 of may be commended to the Dt Bd for consideration.

5. The S. H. says that in view

B in b 11 of of the poor daily average attendance at the Sulliya Dispensary, a rural dispensary is sufficient at the place. The Dt Bd may be asked to consider the question of reducing the institution to the status of a rural dispensary or of transferring it to another place.

6. The P. D. B. S. Kanaka

pp 3 - 4 of suggests that the L. F medical officers in charge of the following medical institutions may be declared to be L. F. Assistant Surgeons:-

Serial No.	Name of medical institution	Name of medical officer.	Qualifications.	Existing scale of pay.
1.	Baandarawela Dispensary	A. S. Hebbar	L. M & S.	Rs 100-5-150 plus Rs 30 as duty allowance
2.	Buttuwal Hospital	K. S. Amrita Rao	M. B. B. S.	Rs 125 - 5 - 175
3.	Hewaheta Dispensary	K. Nimiraja Alwa	L. M.S.	Rs 120 p.m
4.	Mawilmada	M. Eramesh Rao	L M.S.	Rs 125 - 5 - 175

It is not known whether the Dt Bd have formally approved the proposed change of the designation.

D.M.O supports the proposals in regard to items 1 to 4 but suggests the transfer of the medical officer from Bandur to Ballangady. The S.S. does not support the proposals. He says that the grades of officers for these institutions should be I.M.S. As

In G.O. No. 734 P.H dated 10.5.1924 (A) p. 7 of the Enc pp. 9 and 10 of 9 p 2 ants

the Govt decided that these institutions should be in charge of Sub. Asst. Surgeons. In G.O. No. 859 P.H dated 29.4.1925 the Govt stated that (J) they had no objection to the proposal of the Mangalore TK Bd to appoint a private medical graduate as medical officer of the Bantwal Hospital and that the contribution payable by the Govt towards the pay of the medical officer for Govt work would be fixed on the basis of the pay of a S.A.S. It will be seen from the TK Bd's resolution on pages 3 and 4 of the Enc that it had no intention to pay to the medical officer a salary in excess of the contribution payable by the Bd to the Govt if a Govt S.A.S. had been put in charge of the institution (i.e the average pay of Govt S.A.S. excluding leave and pensionary contribution viz Rs 136-4=0 p.m). The people existing scale of pay of the medical officer is Rs 125-5-175. It is not known when this scale of pay was sanctioned. At any rate

the existing Govt contribution towards the pay of the medical officer is 10 percent of the pay of the officer.

p 26 C

8. If the P.D.B.'s proposal to raise the grades of the officers to that of Dy Asst Surgeons is approved the Govt will have to incur a additional* expenditure Under para 4 of Govt No. 2047 P.H dated 19.8.47 the Govt will have to pay contribution at the rate of 22½ percent of the officers employed in all the four institutions instead of at the existing rate of 12 percent

It will have to give the Rs 100 - 10/2-200 scale then in for 2 Asstt Surgeons

p 27 C

This alteration will have to be approved by the Finance Dept

9. It would seem that the grade of officers for each institution should be fixed not on the basis of the availability of persons with lower or higher qualifications as the case may be but taking into account the importance of the institution. In the present case the S.S. does not recommend the proposal to raise the grades of the officers. The proposal need not, therefore, be approved.

10. The existing incumbents may continue to be in charge of these institutions but they will not be entitled to the scale of pay sanctioned for D.A.Ss. The question of sanctioning personal pay to these officers may be

Govt No 24-3 P.H dt 15/8/48

(U)

considered when the P.D.B's reply to Govt No. 2648-P.H dated 14.11.1934 is received. (E)

11. Attention is in this connection invited to para 4 of H.M.M,'s note on pages 9 and 10 of Govt. No. 2648-P.H dated 14.11.1934 regarding the grades of officers in the West Godavari Dt. The statements showing the existing strengths of the staff in that Dt. have not yet been received. A special reminder has been sent. (E)

12 A draft order is submitted

22.12.34

We may agree with the S.G that it is not necessary to raise the grades of these officers. No doubt, persons with higher qualifications are now available for posts which carry less pay. On that ground, the Govt cannot undertake to pay larger contributions. The question of fixing any personal pay to the existing incumbents may be considered when proposals are received separately.

J.S

Mod 4/1

So far as Buntwal is concerned, the statistics show that the hospital there has 8 beds; and that the average attendance of in-patients is 6.45 and that of the out-patients is 128.53. This seems to have been originally an Assistant Surgeon station, but has reduced to a Sub-Assistant Surgeon station in G.O.2019 P.H dated 15-12-1923. That G.O. has not been put up.

Subsequently, Government permitted the Ex-Mangalore Taluk Board to appoint a medical graduate as medical officer, provided Government contribution was fixed on the basis of the pay of a Sub Assistant Surgeon. In case Government were to declare that station to be an Assistant Surgeon station, the Government contribution will be raised from 10 to 22½ per cent. The Surgeon-General does not recommend the conversion of this or any other station into Assistant Surgeon's charge. Under these circumstances the draft order may be accepted, leaving it to the District Board to make out a strong case in case it is anxious to raise Buntwal or any other place into an Assistant Surgeon station. The District Board does not appear to have considered this proposal at all, it was only the recommendation of the P.D.B. and the D.M.O. -- not supported by Surgeon-General.

Order / ~~Resolution~~ Ms. / ~~Rout.~~ No. 103 Ag, dated 16-1-1935.

Dft 15/1 typed ms.

In exercise of the powers conferred by sub-section (3) of section 67 of the Madras Local Boards Act, 1920, as amended, the Local Govt. hereby fix the strength of the staff in the hospitals and dispensaries of Western medicine maintained by the South Kanara Dt. Bd. as shown in appendix I to this order.

2. The Govt. do not consider that it is necessary to appoint officers of the grade of L. F. Assistant Surgeons in the L. F. hospitals at Buntwal and

Coolly and in the dispensaries at Baindur and Hosdrug. The existing incumbents in charge of these institutions may continue to hold their present posts. They will not be eligible for the scale of pay sanctioned in G.O. No. 2403 P.H. dated 15.10.1934 for Divisional Assistant Surgeons. (D)

The Dt Bd may consider the question of granting them personal pay and submit its proposals to the Govt in accordance with G.O. No. 2648 P.H. dated 14.11.1934. (E)

3. The Dt Bd is requested to consider the question of appointing the additional staff specified in appendix II to this order.

4. In view of the poor daily average attendance of patients at the Enmakaja dispensary the Dt Bd is requested to consider the question of converting it into a rural dispensary or of transferring it to some other place.

5. The D.B.

South Kanara is requested to report whether the Dt. Bd maintains any staff in connection with Leprosy clinics and also any reserve medical officers and (ii) whether the Panchayats in the Dt employ any staff in connection with the maintenance of medical institutions
